Dear Economics and Governance Committee Committee (the committee).

Please find below my submission to the Local Government Electoral (Implementing Belcarra) and Other Legislation Amendment Bill 2017.

Submission:

I strongly support ALL the recommendations of the Crime and Corruption Commission's (CCC) report Operation Belcarra: A blueprint for integrity and addressing corruption risk in local government (the Belcarra report).

In particular the recommendations pertaining to political donations. These are essential to implement fair and balanced local and State Government elections and preventing corruption of the political process.

Please implement ALL of the recommendations suggested by the CCC in full.

Sincerely

Mark Stuart-Jones
