Dear EGC Secretariat

As requested, I have reviewed the Hansard for the public hearing held on the 20th of October 2022, and note that I mistake a range of dates.

On page 5 of the transcript in line 7 of the last paragraph I have inadvertently said "fully expended in the 2022-23 financial year..."

This is factually incorrect. I meant to say "fully expended in the 2023-24 financial year".

Please pass this correction on to the EGC Committee on my behalf, for their information.
