Dear Sir/Madam,

I write to you asking for assistance in keeping the communities safe. My Son was killed by a repeat offender back in 2016. I and many others have now lost our family members to crime. This has to stop.

My Submission for Youth Crime is as follows:

1. Breach of Bail
 - a. Without consequences, they will not learn/change their ways.
 - b. No more trips to the reef/ice creams – Never reward bad behaviour
2. Youth Curfew
 - a. Police are very capable of distinguishing between a youth going to work and a youth out to commit crime.
 - b. Remove the youth on the streets, before they commit crime
 - c. Children belong in a safe place at night, especially when they have school the next day. Not roaming the streets.
 - d. Parents/Carers need to report if the child sneaks out at night.
3. Minimum sentencing for any adult crimes committed i.e. 3 yrs.
 - a. Rape
 - b. Break and Enter
 - c. Stealing a Car
 - d. Causing death
4. Court Ordered wearing of Electronic Monitoring Bracelets/Anklets
 - a. So kids cannot say they don't want to wear one
 - b. Consequences of doing crime
 - c. Monitor to make sure they are off the streets at night – curfew
5. Removal of concurrent sentencing
 - a. Punishment must fit the crimes committed
 - b. This sends the wrong message to the crim
 - i. Commit several crimes, but you will only be punished for one.
6. 3 Strikes your out
 - a. I understand the jails/detention centres are full
 - i. Build more to deal with the current crisis
 - b. Give the kids warnings and chances
 - c. After three times – Must serve time in detention
6. Boot Camps/On Country Programmes.
 - a. Elders asked for this many years ago

- i. Help turn the kids lives around
- b. Majority of kids will be suitable for rehabilitation
 - i. Minority which are hardened crims, will need to be locked up to protect themselves and others

I am trusting your govt Anna to make the changes necessary to keep the communities safe. We live in fear, locked in our homes and our cars, scared to venture out to the shops due to the escalating Youth Crime.
