Hello

I am writing because I do not support this bill. It is extremely alarming that we need to override the Human Rights Act.

Many of Queensland's not for profit organisations that work daily with children, families and victims of crime do not support this Bill including Anglicare, NAPCAN, Qld Law Society, Peak Care, Act for Kids, the Benevolent Societ, Act for Kids and many more experts and individuals from across Queensland. See <https://peakcare.org.au/get-smarter-not-tougher/>

Children need to be treated as children. They need support, safety and interventions, not jail.

We need to get smarter, not tougher.

Best wishes, Taryn
