National Injury Insurance Scheme - submission

To Whom it May Concern.

I submit that the definition of rehabilitation in any new NIIS scheme be equivalent to the definition of rehabilitation in the Motor Accident Insurance Act 1994 at Section 4. This will enable consistency of rehabilitation service and the best chance for those injured to become independent of services.

This view is based on proactive and tailored rehabilitation services provided by my business over decades and the outcomes achieved for those who have been catastrophically injured.
