Hi Sue

With regards to the Committee's question, please see the Department's response below:

Response:

The establishment of Jobs Queensland was committed to under *Working Queensland*, one of the Palaszczuk Government's election commitments during the 2015 election. The allocation of \$40 million over 4 years to establish Jobs Queensland was confirmed through the 2015-16 State budget allocations. Through the Jobs Queensland Bill 2015, the Department of Education and Training is implementing this commitment.

Erika
