**Re: Submission regarding the proposed amendments to the Queensland  
'Water Fluoridation Act 2008'**

I make this submission in the hope that the QLD Government respect the democratic rights of the public by not forcing Water Fluoridation on the people of Qld and in this case, Bundaberg Regional Council areas.

I therefore submit that the QLD Government amend the "Water Fluoridation Act 2008" with the inclusion of a clause or section which provides individual communities, particularly Bundaberg to be exempt.

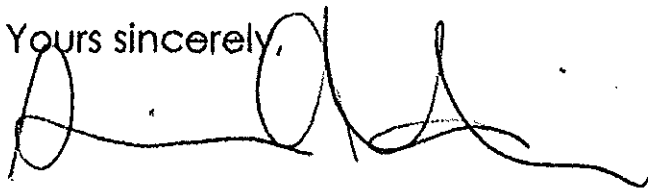

It is requested that an amendment to Clause 80 that the new subsection 6A raise the exemption level from the proposed 10,000 to 60,000 population.

It is also requested that Bundaberg Regional Council be acknowledged for exception into Section 8.

I request that the Queensland Government re-consider the forced fluoridation and that in relation to Bundaberg particularly, the 'Water Fluoridation Act 2008' be amended to include an 'exclusion clause' or section which provides the Bundaberg community the opportunity to exit the requirements of the said Act.

I further hope that in time, the QLD Government will re-consider this forced fluoridation throughout the entire state, especially in my home town of Mackay.

Yours sincerely,

Simone Anderson
