**Re: South East Queensland Water (Restructuring) and Other Legislation Amendment Bill 2012  
Submission regarding the proposed amendments to the Queensland "Water Fluoridation Act 2008."**

In view of the available information and related scientific references, I respectfully submit and request that the Queensland Government uphold the principles of our democracy by not forcing Water Fluoridation on the people of Queensland, in particular Bundaberg Regional Council areas by amending the Water Fluoridation Act 2008 with the inclusion of a clause or section which provides individual communities, Bundaberg in particular, to be exempt.

It is requested that an amendment to Clause 80 that the new subsection 6a raise the exemption level from the proposed 10,000 to 60,000 population.

It is also requested that Bundaberg Regional Council be acknowledged for exception into Section 8.

I request that the Queensland Government reconsider the enforced fluoridation and that in relation to Bundaberg particularly, the Water Fluoridation Act 2008 be amended to include an 'exclusion clause' or section which provided the Bundaberg community the opportunity to exit the requirements of the said Act.

Yours sincerely,  
Charlene Gale Savage
