Dear Mr Crandon

Thank you for your correspondence dated 27 February 2013 enclosing a copy of Workers' Compensation Regulation Authority's (Q-Comp) submission.

The submission by Q-Comp aims to reduce red tape in relation to the proposed amendment to the Legislation with respect to employer excess payments. As a self-insurer, this proposal would have no impact on Queensland Rail.

Queensland Rail does not have any new or additional information to provide, however, I thank you for the opportunity.

Yours sincerely
