Dear Sir/Madam

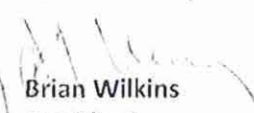

We acknowledge receipt of your correspondence dated 21 November 2013 calling for submissions on the *Public Service and other Legislation (Civil Liability) Amendment Bill 2013*.

The Executive of the Queensland Police Commissioned Officer's Union have had the opportunity to consider the contents of The Bill.

This Union fully supports amendments to provide immunity from civil liability for members of the Queensland Police Service namely officers, recruits, staff members and volunteers. This has been a long overdue protection.

We have no issues with the proposed amendments and support their introduction into legislation.

Yours faithfully

Brian Wilkins
President

Queensland Police Commissioned Officers' Union
