I write to make a submission on the Industrial Relations (Restoring Fairness) and Other Legislation Amendment Bill 2015.

As a _____ my focus and goals revolve around patient care. Individual contracts have been a great distraction for both myself and my coworkers and I strongly urge the committee to return us to the collective agreement system (MOCA). This instrument, for its many challenges and disagreements, allowed allowed medical officers to put all their energy into the things we are good at - improving the outcomes of our patients and maintaining a world class health service.

Yours sincerely
