Subject: My submission on the Industrial Relations (Restoring Fairness) and Other Legislation Amendment Bill 2015

To: Members of the Finance and Administration Committee

I write to make a submission on the Industrial Relations (Restoring Fairness) and Other Legislation Amendment Bill 2015.

I urge the committee to recommend passage of this bill without delay because industrial fairness and job security are essential human rights for all workers and vital for a society to function effectively and profitably.

The Newman LNP government was removed at the recent election because while in government it broke its election commitments and failed to listen to the electorate.

I hope you the committee will listen to and respect the voice of Queenslanders and the rights of workers and vote to restore fairness by supporting this bill.

Yours sincerely

Robyn Wilkinson
