Dear Mrs Farmer,

We refer to your letter dated 11 June 2015 in which you invited the National Heavy Vehicle Regulator (NHVR) to make a written submission on any matter addressed by the *Holidays and Other Legislation Amendment Bill 2015* (the Bill).

The NHVR submits that, with respect to Part 3 of the Bill (Amendment to the Holidays Act 1983) the Committee should give due consideration to the implementation of provisions that would seek to align Queensland public holidays with those of other States and Territories (particularly NSW, ACT and VIC) across Australia.

It is the view of the NHVR that co-ordinating public holidays across the country would best enable national delivery standards to be met.

If you have any queries in relation to this matter, please contact M [REDACTED]

Yours faithfully,
