RE;- Inquiries into the Workers' Compensation and Rehabilitation and Other Legislation Amendment Bill 2015.

As a current Volunteer Rural Fire Brigade member of Twenty years standing, I wish to register my dismay and disgust concerning the appalling display of discrimination being perpetrated against Volunteer Fire Fighters by some members of the Queensland Parliament, through Curtis Pitt – member for Mulgrave.

I urge consideration and rejection of the presented discrimination between Paid and Volunteer fire fighters at the earliest opportunity.

Sincerely,

Michael Sibley

WESTOWE RURAL FIRE BRIGADE.
