Re:- Inquiries into Worker's Compensation & Rehabilitation and Other Legislation Amendment Bill 2015

As a current Volunteer Rural Fire Brigade Member for 15 years, I wish to register my objection to the discrimination being perpetrated against VOLUNTEER Fire Fighters.

I strongly urge consideration and rejection of the discrimination between paid and VOLUNTEER Fire Fighters, as we all put ourselves at risk each time we attend an incident.

your sir

Luanne Stewart

Westowe Rural Fire Brigade
