Dear Ms Jeffrey,

**Inquiry into Work Health and Safety and Other Legislation Amendment Bill 2015**

Thank you for the opportunity to make submissions on the Work Health and Safety and Other Legislation Amendment Bill 2015.

Together Queensland supports the need for reform of Workplace Health and Safety legislation to improve safety for Queenslanders at work. We believe all parties in the workplace should have the ability to participate in the resolution of health and safety issues and be represented where a health and safety issue arises.

Together also supports the reinstatement of workplace health and safety standards on work sites and measures to allow health and safety representatives to take preventative action in the workplace.

I look forward to the opportunity to make further submissions at public hearings before the committee.

Yours sincerely

Alex Scott  
Secretary
