Re: COVID-19 Inquiry submission to the committee's inquiry into the Queensland Government's health response to COVID-19.

Dear Committee,

Thank you for taking the time to receive the views of our family & cohort.

- The original plan was to flatten the curve, this has well & truly been achieved, not eliminating the virus & annihilating businesses. Let people get back to work.
- Someone needs to get the hook out & pull Dr TV off the stage in Qld, she's enjoying it way too much.
- & to try to stop the Warbirds Group fly over for ANZAC Day by the Hurricane & Spitfire to honour veterans was disrespectful to veterans, unnecessary & miserable for the community, especially given people could not attend an ANZAC Day Parade this year.

Yours sincerely,

Desiree Lyall MRACI CChem
