To whomever it may concern,

I would like to voice my objection to the 'Termination of Pregnancy Bill 2018'.

I urge you to join me in opposing such a bill as it contradictory to the way we treat life in **every** other circumstance.

Babies constitute human life, whether foetus or not, whether pre- or post- birth. Human life should be protected.

Alternatively, the government could redirect funds to support/create systems to organise the fostering/adopting of unwanted births.

We must defend those lives that cannot defend themselves - those most vulnerable.

Unwanted/unplanned or not - life is life.

Regards,
Paul Westall
