Subject: Termination of Pregnancy 2018
Date: Saturday, 1 September 2018 6:51:48 AM

Human life is the most precious entity on the earth. A foetus is a human being and therefore abortion of a baby under all circumstances is murder.

I thought one of the responsibilities of the government we elect is to protect the lives of its people but [REDACTED]
[REDACTED]

You will be forcing hospitals and those working there to end life and removing their ability to object to the procedure, whereas the main ethic of doctors and nurses is to save life. This bill is truly evil.

[REDACTED]
[REDACTED]

Please have some compassion on the innocent and do not allow them to be murdered.

Please do not allow this bill to be passed.

Yours sincerely,

Mrs. Carol Tsuji
