COMMITTEE SECT.

**HEALTH, COMMUNITIES, DISABILITY SERVICES
AND DOMESTIC AND FAMILY VIOLENCE PREVENTION COMMITTEE**

Parliament House
George Street
BRISBANE....4000 QLD

We write to express our extreme abhorrence at Labor's Termination Bill 2018.
We believe that both mothers and developing babies in utero, deserve all possible care.

This Bill leaves unborn babies with absolutely NO rights to life at all –
abortion for any reason up to 22 weeks gestation.

Abortion from 22 weeks to birth, under a wide range of criteria including 'SOCIAL REASONS'

There are NO safeguards for women considering abortion – no independent counselling,
Informed consent, or cooling off period.

And doctors with conscientious objections are forced by an unjust law to refer for abortion.

**When it comes to the vote in Parliament, we can only hope and pray
that this extreme Bill will be rejected!**
