To the Committee members,

I want to seriously object to this Abortion Bill as it does not acknowledge The TRUTH!

We are being told by JACKIE TRAD it is all about decriminalizing abortion....WHAT A LIE!! A DECEPTION I HOPE THIS COMMITTEE WILL REALISE.

If abortion was still considered a criminal offence there would have been some 14000 extra women in our jails just last year!

It does not address the... VULNERABLE BABY.... THIS IS A LIFE!!... and.... NOBODY (including pregnant mothers, health committee members and politicians)SHOULD BE GIVEN THE RIGHT TO MURDER THESE PRECIOUS LITTLE VULNERABLE LIVES!!!

SCIENCE PROVES THIS IS A HUMAN LIFE FROM CONCEPTION....and.... IT SHOULD NOT BE A CONSIDERATION TO THROW AWAY THIS LIFE!...

If this bill is passed.... HISTORY WILL JUDGE THIS GOVERNMENT(and their advisors) AND PLACE THEM UNDER THE SAME CONDEMNATION AS [REDACTED], etc

IT IS ALSO A PROVEN FACT THAT ABORTION AFFECTS THE MOTHER AND EXTENDED FAMILY, THE COMMUNITY AND SOCIETY!!

I noticed on this point in the True/False Questionnaire associated with this bill...it did not say it was true or false?? It is very deceptive? The truth is it does affect!!

I CERTAINLY DO NOT WANT MY HARD EARNED TAX DOLLARS GOING TO ABORTIONS!!

True/false Questionnaire is also deceptive saying hopefully women will continue to go to private practices... REALLY???

To believe that Doctors who work in an abortion clinic will give non biased counselling??.... REALLY?.... The all mighty dollar always speaks louder!!!

To allow abortion without true counselling and not be told the options??... Is criminal in itself!!...

Let alone discourage counselling from non biased professionals??

The bill says there will be 150meter exclusion zone around abortion clinics not allowing pamphlets to be distributed..... Then the bill also says the medical profession can make a conscientious decision and refuse to do an abortion.... But they are not allowed to explain to the woman why they do not believe in abortion, and tell them that they have options and there is support. ...REALLY??...WHAT A CONTRADICTION!!...

I strongly recommend that this committee will see the TRUTH and realise this bill is nothing but a decriminalization of MURDER!!

NOTHING BUT A [REDACTED] [REDACTED].... QUEENSLANDS OWN KILLING FIELDS...OF THE DEFENSELESS BABIES!!!

PLEASE DO THE RIGHT THING AND PUT THIS MURDEROUS BILL THROUGH THE SHREDER!!

Looking forward to your response,

Thank you,  
Michael Gaschk.
