Dear members of the health committee,

I am asking you to block Jackie Trads Termination of pregnancy bill 2018

Because the operation involves the taking of life, it is most certainly murder of the most helpless in our society. It is appalling that our leaders think that the process of abortion [REDACTED] [REDACTED] is normal.

Many of us Australians are aware of the paradox that people who are voted in to care for their population want to kill their babies.

[REDACTED]
Please, for the love of God, stop this madness creeping into our society.

Kind regards,
John Kent.
