**From:** [REDACTED]  
**Sent:** Monday, 3 September 2018 10:43 AM  
**To:** Health, Communities, Disability Services and Domestic and Family Violence Prevention Committee  
**Subject:** Proposed Termination of Pregnancy Bill 2018

My name is Karilyn Ewings from [REDACTED]

I wish to state my strong objection to the abovementioned Bill. I do not wish this Bill, or a derivative of it, to be passed.

I believe that a person is made at conception and as such any sort of abortion done by the wish of another person, including the mother, is murder.

Yours faithfully  
Karilyn Ewings
