Subject: Abortion Bill

Dear Health Minister,

As a concerned member of the public, I urge you to please vehemently fight against the new bill that goes against the moral fiber of this great nation by opposing the gross and extreme bill that would endanger the lives of women and babies that could otherwise survive outside of the womb. Please, make a stand that abortion at any stage is a danger to the wellbeing of woman and is inhumane against the lives of the unborn child.

Yours sincerely,

Laura Guy
