Subject: Submission opposing the Termination of Pregnancy Bill 2018
Categories: Submission

To Whom It May Concern:

Please oppose this bill, it takes away many safeguards for mothers, fathers and babies.

The pre-born baby is human, as much as anyone else walking the planet, only at a different stage of development. To abort a pre-born baby is to take away his/her basic human right to be allowed to live.

Kind regards,

Nicola McClue
