Dear Sir/Madam,

We are writing to you as we are totally against this abortion bill that the Qld. Government is desiring to push through.

Every child in the womb has a right to live, as that child has been created in God's image whether one believes it or not. And to say that a woman has a right to do what she pleases with her unborn child is totally against Scripture, it is called murder not termination of life.

We would encourage you to read Psalm 139.

If this law is passed I believe it will bring God's judgement on our country as we will be going against His laws. There are consequences when we sin.

We pray you will think seriously about all those who are standing for truth and against this evil bill.

Regards,
Mr. And Mrs. Randal and Georgina Colpoys,
