Dear Sir or Madam

I plead with you to not allow this Bill to be passed.

Please look at what science says that an unborn child in the mother's womb is a human being.

Therefore to abort an unborn child in their mother's womb is murder.

It is not coming in step with the 21<sup>st</sup> Century to condone murder.

Again please do not allow this Bill to be passed.

With kind regards

Wonda Franks
