SUBMISSION REGARDING THE "TERMINATION OF PREGNANCY BILL 2018"

Dear Committee Members,

As a resident of Queensland, I plead with you to consider that human life begins at conception. Clinical abortion, at any time after conception, is murder. The Bible commands, "Thou mayest not commit murder." (James, Chapter Two, Verse Eleven).

Why should human beings, of any age, not be protected from murder?  
Please protect Queensland's children from being murdered under the "Termination of Pregnancy Bill 2018."  
Sincerely,  
Ruth Drew

P.S. I am just resending this, because I did not receive a reply to assure me that my submission had been received.
