*To whom it may concern,*

*I am a customer who has the support of my local pharmacy to help me and assist me in caring for my father. Without my pharmacies support I feel that my father's needs would not be meet day in day out, week to week, every day of the year.*

*I feel that pharmacy should remain in pharmacy and not be deregulated. They offer so many services free of charge to assist all customer's needs (e.g. Home delivery, Blood pressure monitoring.)*

*As a customer I would be worried for my family's health and wellbeing if the deregulation isn't stopped.*

*Kind regards*
