Hello

'The primary objective of the *Abortion Law Reform (Woman's Right to Choose) Amendment Bill 2016*, as outlined in the explanatory notes, is the removal of Abortion from the Queensland Criminal Code'.

The fact that abortion is no longer considered a part of the Criminal Code in three Australian states is deplorable.

I am absolutely distressed that the Queensland government is to consider legislation to remove abortion from the Criminal Code. Mr Pyne MUST retract this bill immediately.
