Dear Chairmen and committee members,

I, like very many Queenslanders, do NOT support the proposed abortion bill.

What is the difference between terminating the life of a baby a day after being born compared to a day before being born?

Even a month before the birth, I believe terminating another human's life is outrageous and criminal.

I don't believe we should lawfully be allowed to terminate the life of another human at all.

Kind Regards,

Tim Stott.
