Dear Committee,

I'm writing to you to express my concern over the bill being introduced by Mr Rob Pyne.

I believe that abortion is wrong except under extreme circumstances.

I would like to see;

more counselling offered to women outlining their options

adoption made easier so that unwanted children can go to couples desperately wanting a child

I am concerned that this bill would allow unborn children to be aborted late into a pregnancy and ignores the physical and psychological effects on women and their partners.
