Dear Sir,

Submission:

Abortion Law Reform (Women's Right to Choose) Amendment Bill 2016

In regard to the above Bill, I strongly urge you not to support this Amendment to remove "Abortion from the Queensland Criminal Code".

I believe that each baby from conception is a precious life and should be preserved.

If this Bill was to be passed, it would greatly affect many people including the medical profession in a detrimental way.

I urge your Committee to vote against this Amendment to remove Abortion from the Queensland Criminal Code.

I thank you for your attention to this matter

Yours sincerely,

Lynne Knox
