As a constituent in Rob Pyne's electorate, I would like to express my view. My local member is not doing that for me.

I strongly oppose the bill that Mr Pyne has introduced regarding abortion. Every child is a person from the time of conception in my eyes. To abort a "foetus" is the equivalent of murder. Please protect the unborn children of our state. If the mother/parents are unable to take care of the child, then allow the child to be adopted to those who will welcome the child into their family.

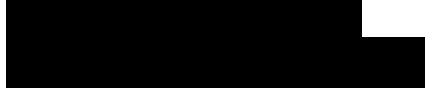

Please do not allow the changes to the abortion law.

Judith Searle
