Hey.

I am writing to express my interest in the fact you are trying to legalise the murdering of unborn babies.

This is disgusting. You are trying to legalise a person killing another person. When you were conceived inside your mothers womb you were completely helpless. You could not defend yourself. If your mother decided to kill you, would you have been okay with this sir ? I don't think so.

YOU ARE TRYING TO TAKE AWAY THE RIGHT OF LIFE which isn't yours to decide and neither is it a mothers.

There is something so wrong with our society today if you think you can kill an innocent baby.

Take a hard look at yourself and re think the lives of all the babies that are lost and have been lost

Is it really fair
