Subject: Abortion Law Reform Bill
Date: Monday, 20 June 2016 11:09:42 AM

To Committee Members,

I write to state our opposition to the abortion bill being presented by MP Rob Pyne. How can any so called civilized society allow this to be law. A baby's heart beats at around 4 weeks and there are studies that show a foetus can feel pain as early as 20 weeks. The committee should look at what happens to the foetus during an abortion and see the pain that baby will go through. Please do not allow this bill to be passed. Please do not legalise murder.

Yours Sincerely,
Wendy & Shane Reddell.
