Subject: Proposed bill
Date: Friday, 24 June 2016 1:56:19 PM

Please do not change the abortion bill. There are many people unable to have children who would be thrilled to take on a child no longer wanted by it's parent. Also, the suffering the child endures during the abortion process at anytime is dreadful, let alone allowing a child to die when its nearly full term. It's murder!

With expectations of this bill falling,

Yours sincerely,
Helen Anway
