My name is Leonard Maycock Address is [REDACTED]
[REDACTED] [REDACTED]

This is to state my opposition to the bill on abortion proposed by Rob Pine of NQ.

Not only is it a bill which proposes a stance worse than anywhere else in the world, but it proposes to take the life of babies at a late stage of pregnancy which I consider to be murder. It appears to me that Mr Pine does not consider life to be precious, and I feel it would be extremely inappropriate for the Queensland Government to adopt such a position.

Yours faithfully, Leonard Maycock
