To whom it may concern, I want you to know that I am adamantly opposed to the Abortion Law Reform Amendemnt Bill put forward by Mr Rob Pyne MP. It seems obvious to me that the removal of abortion from the Qld Criminal code will directly result in an increase of needless unborn baby deaths. There are many people in society who simply have no moral compass and will take advantage of a relaxation of the current law to cater for merciless whims such as gender selection for example. The current law is there to protect those who have no voice as well as those who need to be saved from a life of regret.

Kind regards,
Wayne
