Subject: Life protection for the unborn
Date: Friday, 24 June 2016 2:55:07 PM

To Every one,

No one has the right to shoot to kill a person who has done no crime.
So too no one has the right to take the life of the unborn.

Murder is murder always has been always will be.

Leave the children grow and become healthy productive adults it is their right and no human should be stealing it away from them.

Sincerely

Ron Brennan
