To whom it may concern,

Re: ABORTION

I oppose the bill before parliament which removes all protections and puts in no safeguards. I cannot believe that there is a current action being taken to approve a change to our current, also appalling, abortion law. We cannot accept killing human babies (you may call it a foetus) but you are not fooling is to believe it's just a mass of junk that somehow becomes a human at a time that suits you. I do not agree with nor do I approve for our abortion laws to change. PLEASE STOP THE KILLING OF HUMAN BABIES. You say that a woman has the right to do whatever she wants to her body. She does not have the right to kill a baby (who has NO VOICE to defend itself). What about the right of the baby? Who protects the baby?

Yours sincerely
