**Subject:** Mr Pyne's bill, the Abortion Law Reform (Women's Right to Choose) Amendment Bill 2016  
**Date:** Friday, 24 June 2016 6:10:06 PM

---

I understand this bill is before a committee

considering allowing unborn children to be killed right up to the moment of birth.

If I understand this correctly please do not make any change to the existing law

As John Powell has written, abortion is the silent holocaust

A measure of a society is the way it's treats its most vulnerable including children

Thank you

Regards
