Hi,

This law concerns me greatly. Have you noticed that anyone who approves of abortion has already been born?

Please make a stand to be a voice for the voiceless. These tiny children deserve to be protected and heard.

As a mother of three young children my heart breaks to think that Australia is headed towards the worst abortion laws in the world. The least I can do is email someone, somewhere and give these unborn children a voice. Fight for them. Fight for their right to live.

With thanks,

Andrea Kahler
