To whom it may concern,

Firstly I can't even believe that a civilized country condons abortion, at any time.  
The reform that Mr Pyne wants legalized is barbaric, to say t,he least.  
I was under the belief that we as a society, were the voice of those who could not and can not speak for themselves.  
We are the advocate for the vunerable, weak and helpless,.  
If we allow Mr Pyne to succeed how are we any different to Hitler, who took great pleasure in such barbaric acts.  
Further more, one day I will stand before the great white throne in the DAY of JUDGEMENT and I don't want to have to give an answer to God for the reason I didn't stand up for the defenceless, unborn.  
Please don't let this REFORM go through.
