

Mr Pyne`s bill, *the Abortion Law Reform (Women Right to Choose)*
Amendment Bill 2016;

- Would allow unborn children to be killed right up to the moment of birth. (what about the Right of the Child!! Just because the unborn cannot talk, it does have a voice NOT to be killed)
- Ignores the known serious physical and psychological consequences of abortion on women;
- Could coerce doctors, nurses and health workers into performing barbaric procedures against their conscience;
- Dismiss overwhelming community opposition to changing the law; and
- Fails to address the desperate plight of women who tragically see abortion as a solution.
