Subject: {Spam?} SUBMISSION - CHANGES TO ABORTION BILL
Date: Friday, 24 June 2016 4:26:25 PM

Dear Sir/Madam

I strongly oppose the current bill before Parliament regarding changes to abortion laws in Queensland. I am opposed to the bill because it will remove all protections and there are no safeguards in place.

I believe the current laws are suitable and should not be altered.

Yours faithfully
Andrew Burr
