Dear rulers of Australia, May I ask your attention for 2 things re abortion. ?

1 No matter how much money you are going to help with domestic violence, it will only get worse as long as you allow the worst domestic violence there is ": The legally killing of the most innocents among us".

2 The rate of legal abortion is roughly the same as the coming in of illegal immigrants in the so called "developed" " countries.

Some things to think about when you think of making these abortion laws even worse.
