Dear Committee,

re Abortion Law Reform (Women's Right to Choose)
Amendment Bill 2016

I am aware of the sadness a prospective mother endures
after aborting her baby.

However, I wish to oppose the bill introduced by
Rob Pyne MP.

Decriminalisation will increase the number of abortions.
This has happened in Victoria, since the 2008 bill was
passed. Expectant mothers need guidance and love when going
through difficulties during pregnancy, not an easy economic or
social reason that "justifies" aborting her child for the
reason of contraception, which is what easy abortion amounts
to. Please oppose this bill.

Yours sincerely
Troy Lynch PhD
