Dear Sir/Madam

Re: The abortion bill that has been put forward by Cairns MP Rob Pyne.
I would like to say that I strongly oppose the bill before parliament which removes all protections and puts in no safeguards.

I believe the womb is one of the most dangerous places to be in our culture today. Life has become a matter of convenience or inconvenience. I also believe abortion is murder of the most innocent and vulnerable and anyone who cannot see that - well it is just beyond sad.

Instead of killing those inside the womb why arent we encouraging more adoption procedures. There are so many couples who would love to have those kids that in most cases selfish women find inconvenient. Even in the case of rape, two wrongs dont make a right, the wrong of rape and the wrong of abortion. Encourage those women of rape to work through the emotional pain until the child is born and then hand it over to a loving family.

On my last check I believe 115,000 babies a day were murdered in the womb worldwide. This is barbaric.

As a culture let us celebrate and encourage life and not death.

Many thanks

Nola Beveridge
