Dear Sir/madam

I am writing to express my concern regarding the Abortion Law Reform (Women's Right to Choose) Amendment Bill 2016 and Inquiry into laws governing termination of pregnancy in Queensland.

I oppose the bill that has no protections and no safeguards.

I note that the Child Protection (Mandatory Reporting – Mason's Law) Amendment Bill 2016 has been tabled at the very same time, which begs the question, is there any protection for the unborn child? Killing a healthy child up to full term, seems very barbaric in this day and age.

Thank you for listening

Sincerely

Norm Latham
